Terms & Conditions: The carpet/timber colour illustrated in the catalogue may vary from the actual product. Floor coverings are sold in different widths. Carpets promoted are sold in broadloom metres (3.66metres) and occasionally 4m. Square metre pricing is shown to help compare the costs of carpet with other flooring products. Minimum floor covering purchase is one lineal metre or single pack. Cutting and freight fees may apply. Pricing shown in the catalogue unless otherwise stated, is for the product only. Catalogue pricing expires 30 September 2023. Catalogue offers are not to be used in conjunction with any other offers. Not all products are available in all stores. Catalogue offers and pricing only available at participating stores (discount at discretion of retail partner). While most carpet ranges are made in New Zealand, some ranges are being manufactured in Australia. Hard flooring ranges are not manufactured in New Zealand. Please check our website for further information. Prices include GST
